

BUILDING DEPARTMENT & ZONING ENFORCEMENT

OFFICE—EXISTING COMMERCIAL STRUCTURE—CHAPTER 34 REVIEW

A Chapter 34 Review occurs when the structure of an existing building is altered in a new way. The Chapter 34 review is mandated in accordance with Massachusetts Building Code. To review any Chapter 34 project, the Building Commissioner ***must have a completed application***. It is strongly recommended that any Chapter 34 project have a licensed Registered Design Professional complete the Chapter 34 review process for the applicant.
